***Tallahassee based lawyer and lobbyist Yeline Goin offers analysis and recommendations***

The Florida Legislature wrapped up its 2013 session in May by passing important legislation impacting condominium associations, homeowners associations and cooperative associations. Our full time lawyer-lobbyist, [Yeline Goin](#), who lives in Tallahassee and practices in our Tallahassee office, worked closely with legislators and legislative staff on these new laws. Yeline has written an extensive analysis of the new legislation along with specific notes regarding action items necessary for each type of community. Please take a moment to review the documents by clicking below:
