

David Ramsey Participates in “The New Normal: ReOpening Communities,” Webinar Presented by CAI

May 22, 2020

By: J. David Ramsey

New Jersey shareholder **David Ramsey** participated in a **Community Associations Institute (CAI)** national webinar, “The Next Normal: Reopening Communities.” As states use a phased approach to open public facilities and businesses, community associations must consider whether and when to open amenities and common areas. Panelists discussed specific issues related to when and how to open community association amenities and manage common areas.
