Education

- Florida State University
**Expected B.A. completion
December 2022*

Sadie Haire is a Government Relations Consultant in Becker's Federal Lobbying Practice. She most recently served as a Legal Assistant at Venable LLP where she was responsible for organizing federal events with campaign staff and overseeing PAC finance contributions. Ms. Haire also formerly worked in the Florida House of Representatives, leading public relations efforts for state government events and fundraisers and managing all constituent services. In 2018, Ms. Haire served as a Regional Field Director for the Republican Party of Florida, where she met with stakeholders and helped build successful political coalitions and grassroots campaigns to mobilize support for candidates and policies.
